ORDER

REMKO SPOELSTRA, et al.,

Defendants.

SARAH NETBURN, United States Magistrate Judge.

The Honorable John G. Koeltl referred this matter to me to report and recommend on a damages inquest following entry of default judgment against the defendants. See ECF Nos. 84-85. By Order of the Court, Plaintiff filed Proposed Findings of Fact and Conclusions of Law regarding damages sought (ECF No. 90).

By Wednesday, December 18, 2019, Plaintiff is directed to file a letter of no more than five pages to supplement its Proposed Findings of Fact and Conclusions of Law. Specifically, Plaintiff should set forth in greater detail the factual and legal basis for calculating damages based on a combination of potential commissions and the difference between the asking price and sale price of one "Haring work" (the invoice for which is included in Plaintiff's Proposed Findings of Fact and Conclusions of Law at "Exhibit D"). See ECF No. 90 at ¶ 22. The letter may cite to the materials attached as Exhibits to Plaintiff's prior submission.

SO ORDERED.
